A new standard has to be put forth starting with ministers, politicians and the community at large.	Comments Noted

Requesting letter of response from Commissioners.</p> <p>Representing Gloria Campbell, senior citizen, 13054 S. Evans, who lost her microwave, dishes, clothes and other personal belongings during relocation. Requesting hand rail for tub.</p>	<p>The Board of Commissioners is in receipt of your letter. The Agency prescribes to a policy of ongoing monitoring and enforcement of the Private Property Management contracts. The Asset Management department of the CHA regularly monitors the performance of all Private Management Companies to assess their performance. Based on the compliance requirements, East Lake's management practices are in compliance with their contract. As a result, East Lake will continue in their role as property managers for several CHA properties.</p> <p>Property Management asserts that Ms. Campbells' dishes, clothes and other personal belongings were delivered safely to her new unit during the move. With regards to the microwave, after review of the appliance it was determined that it was unsanitary and would be detrimental to the purpose of the move to bring the microwave in its current condition.</p> <p>About the tub, Property Management will raise this issue with the contractor but are unable to install hand rails at this time due to the fact that it would void the current warranty for the tub surround.</p>
8.	Isaac Jackson 13125 S. Corliss	<p>Is qualified to train HQS teams and to date is unable to get Section 3 job.</p> <p>When is the LAC election? Has not received petition in rent statement. Section 3 workers are hired from referrals from the Section 3 database, which is available through the CHA Department of Human Resources.</p> <p>An LAC election is planned for 2008, but a date has not been determined yet.</p>

9.	Vivian Mudo	<p>When will residents receive petition for LAC Election?</p> <p>Why can't she purchase cable since she pays over \$1000 for rent?</p> <p>Why do children who live with her have to park 3 blocks from apartment due to parking sticker requirement?</p> <p>Why does she have to pay \$7 for light bulbs to be placed in her unit?</p>	<p>The LAC election is planned to be held in 2008. CHA staff, HUD and others are still in the process of determining the direction and feasibility of the LAC presidents' role moving forward.</p> <p>The CHA's Procurement and Contracts Department currently has a RFP out for Cable television services in Altgeld Gardens.</p> <p>Parking information was posted for 45 days and hand delivered to each occupied unit in May 2006. 11.	Tom Bennett.	On Monday, July 16, the Stabauch company told Tomas Bennett Ltd that the lower winning bid had 0 day due diligence period and a 30 day close. To date, 90 days, why isn't it closed?
